I am pleased to join the "International Journal of Innovation and Scientific Research" team of Reviewers. The following conditions will apply:

- I should not accept to review a manuscript if:
  - ✓ A personal or financial conflict of interest exists.
  - ✓ I feel I cannot give an impartial and objective review, free from professional or personal bias.
- If I have questions regarding a potential conflict of interest, I have to contact the Editor in Chief, and he will decide whether it is appropriate to review the manuscript.
- There are occasions where a reviewer may be unable to complete his / her review within the allotted time due to unforeseen circumstances. In this case, I must contact the editor immediately so that arrangements can be made for the review to be completed in a timely fashion.
- This contract can be ended written notice by either "ISSR Journals" or "The Reviewer" without pointing out any specific reason.
